

Business Advisory Council MEMBERSHIP INFORMATION

The Business Advisory Council (BAC) is a new platform encouraging collaboration across Fayetteville and Cumberland County. Open to private-sector companies, regardless of size or industry, it is dedicated to facilitating connections, identifying growth opportunities, highlighting successful businesses, and shaping the economic development process.

WHY GET INVOLVED?

BAC members have the opportunity to participate in sector-specific programming and events throughout the year, network with business leaders from across the community, and take an active role in new business recruitment and economic development.
