

DEFENSE INNOVATION CENTER

611 W. RUSSELL STREET, FAYETTEVILLE, NC 28301

The Defense Innovation Center is a 36,000-square-foot secure technology center, designed to accelerate the identification, prototyping, and adoption of dual-use technologies. The Center features a 1,900-square-foot, 200+ person presentation hall, SCIF facilities, conference and training rooms with electrically switchable privacy glass, along with key-man offices.
